This proposed legislation would modify and bring more clarity to coverage limits available to consumers with respect to underinsured motor vehicle coverage. The proposed legislation provides that any underinsured motor vehicle coverage with limits of liability less than two times the Idaho minimum limits for bodily injury or death shall be construed to provide coverage in excess of the liability coverage of any underinsured motor vehicle involved in the accident.

FISCAL NOTE

There is no fiscal impact to the General Fund, as this applies to insurance companies who provide motor vehicle insurance policies.
